**RESPONSE TO RESTRICTION REQUIREMENT**

S I R:

This communication is in response to the Restriction Requirement mailed July 9, 2007.

In response to the Restriction Requirement, applicants hereby elect, with traverse, the claims of Group I, i.e., claims 1 to 23, for further prosecution in this application.

This election is made without prejudice to the filing of a divisional application directed to the non-elected claims.

This election is made with traverse because the present application is a 35 U.S.C. §371 of PCT/JP03/11654. Therefore, PCT unity of invention rules apply. The claims are directed to a process or method (Group I - claims 1-23) and apparatus for carrying out the

process or method (Group II - claims 24 and 25). Therefore, there is PCT unity of invention.

See 37 C.F.R. §1.475 (a)(4).
